

VILLA DEL MAR

*“Luxury is a blend of privacy and gardens.”*

Prince Alfonso von Hohenlohe

## VILLA DEL MAR

Superlative craftsmanship shines throughout this exclusive-use six-bedroom villa, where Andalusian architecture hosts every modern luxury.

Set on the pristine shores of the Mediterranean Sea, art-filled Villa del Mar is a dream for those who desire the five-star service of Marbella Club Hotel, Golf Resort & Spa, along with the independence and privacy that comes with having your own opulent house. Private botanical grounds are inspired by the Alhambra, and the beauty of nature is all around, enhanced by fountains and a waterfall and a stunning sea-view infinity pool. Little wonder Villa del Mar is celebrated as one of the Costa del Sol's most illustrious venues for weddings, exclusive events and special occasions. Hidden in the heart of this legendary resort, this elegant home even has its own discreet gated entrance.

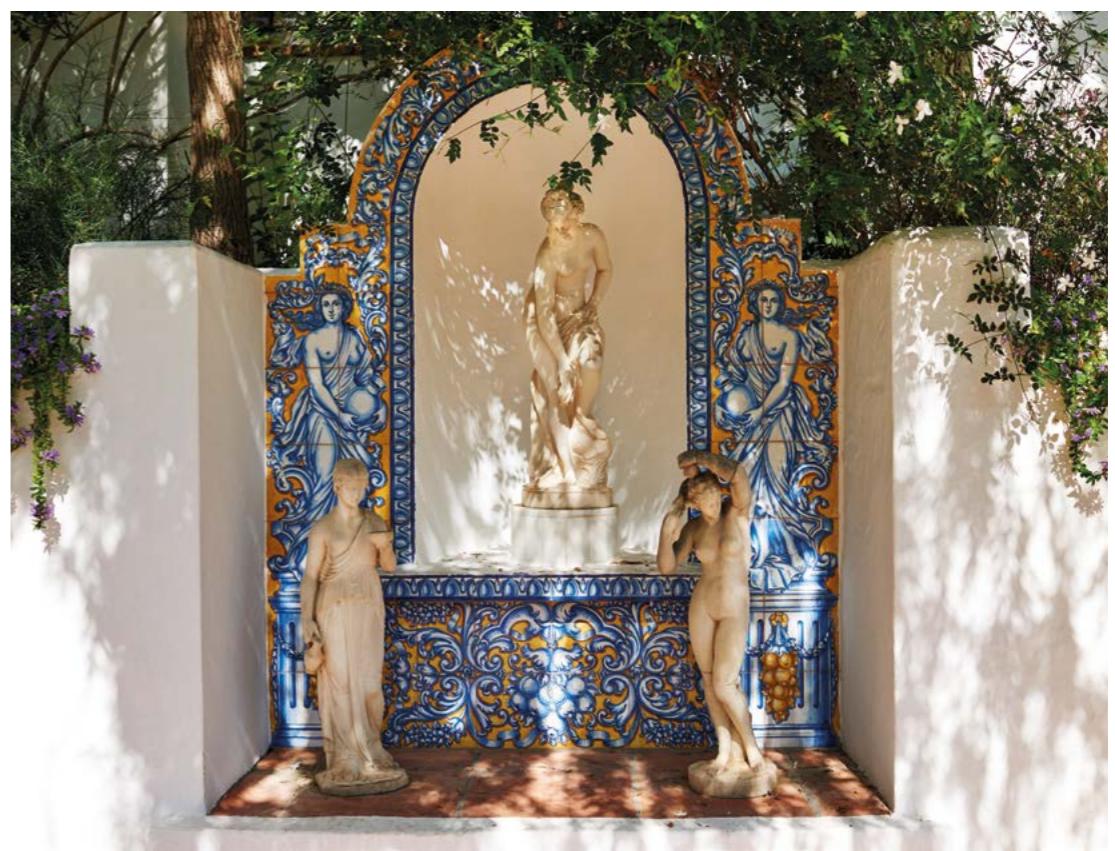

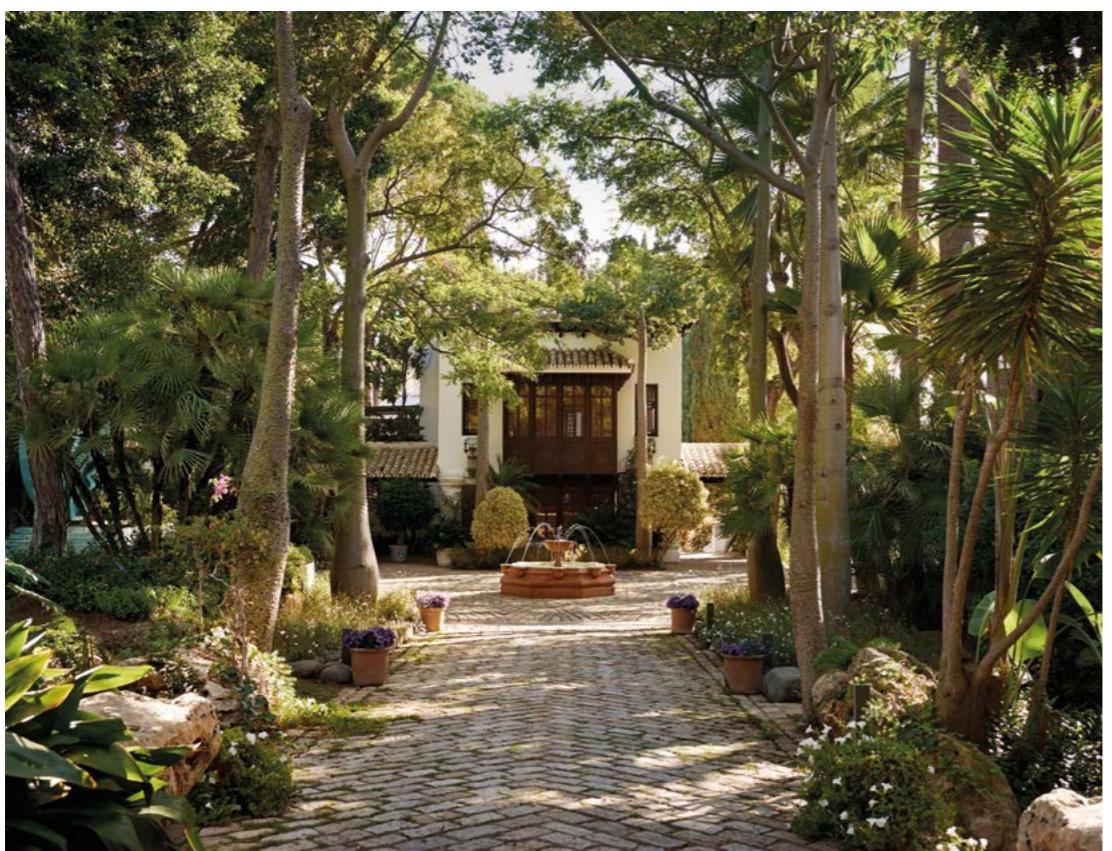

## LIVING

Jean-Pierre Martel, our remarkable interior designer, has blended hand-woven silk carpets, collectable paintings and sculptures, antique Italian consoles and wood-burning fireplaces to ensure timeless glamour. Comfort is guaranteed thanks to huge sofas in the airy sitting rooms, and away-from-home happiness is assured, care of a kitchen and bar stocked with your favourite food, hand-sourced delicacies and a choice of spirits. Dedicated staff includes a butler, maid, and dining staff, as well as a first-class spa therapist and personal trainer when required, and the property has its own direct access to one of Southern Europe's most celebrated sandy shores.

## SLEEPING

Six chic, spacious bedrooms are heaven-sent for sybarites. All of these stylish spaces promise sea-view terraces and sophisticated ensuite bathrooms and Andalusian keyhole doorways lead to rainfall showers, deep bathtubs and walk-in wardrobes. Three of the suites have wood-burning fireplaces and two have their own separate sitting rooms, while the master bedroom treats guests to a Jacuzzi and easy access to the spa-standard hammam. The roll call of hi-tech perks in these serene bedrooms includes independent thermostat control, WiFi, iPod docking stations and state-of-the-art widescreen TVs. We love to spoil you, even in your sleeping quarters.

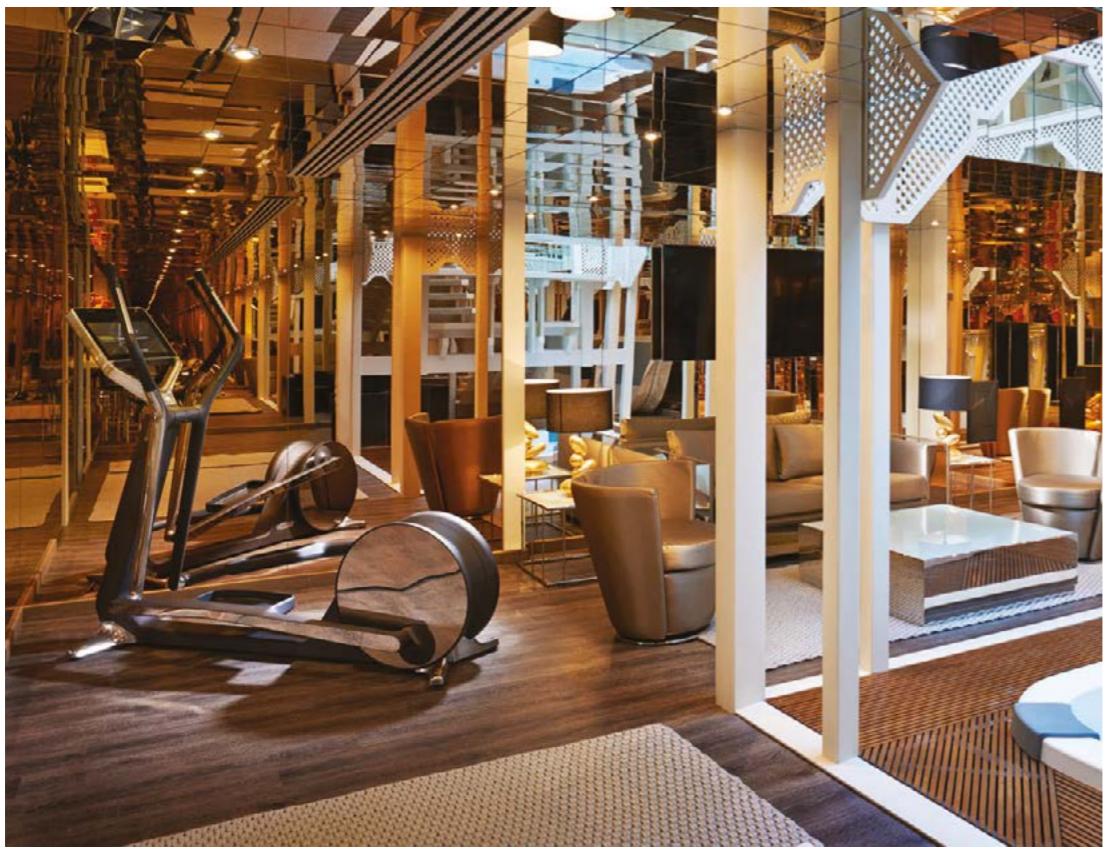

## RELAXING

From arrival to departure, you can expect every conceivable amenity, as well as experiences tailored to your personal preferences. Relax in the Zen garden, have a soak in the Jacuzzi, take a dip in the full-size pool, or unwind in the glamorous mirrored wellness area; Villa del Mar even has its own pine-scented Finnish sauna and fitness equipment, as well as a spacious cinema room.

Floor-to-ceiling windows and eight spacious terraces overlooking the exotic greenery and glistening sea never let you forget that you're in prime position on one of the world's most-loved coastlines.

Take advantage of sunloungers reserved for you on the beach, or remain concealed in your secluded pocket of paradise right here at Villa del Mar. Relaxation is quite simply unavoidable.
